PET

Portable Extinguisher Trainer

PRO-SAFE offers safe, effective and realistic Portable Extinguisher Trainers to assist your fire department in implementing a fire prevention program to enhance the safety of the public with respect to fire related incidents.

PRO-SAFE designs and manufactures a wide range of high quality, safe training accessories that fit on the **PET** to reflect office, service shop, lab and other business emergencies. This provides employees with a visual aid while learning to extinguish a flame.

Leading the way in professional Fire, Rescue & Emergency Training Equipment
